

LANGHAM PARISH COUNCIL

Items from the 5 November meeting

Potholes

The village handyman will be asked to consider making regular inspection of the roads.

Proposed Footpath Diversions

The Essex County Council (ECC) Rights of Way Officer has arranged a site meeting on 3 December about the proposed diversions of footpaths behind the Ramsden Hall School.

Proposed solar farm

Push Energy will attend the next Parish Council meeting.

Planning

Sonstraal, Moor Road: new access & extensions

– refused by Borough Council

Reynella, Moor Road: extension - no Parish Council objections

Red House, Dedham Road: replacements, alterations & amendments

- Listed Building Consent required.

Recreation Ground

Bonfire Night went well, with thanks especially to Bob Schofield and all his helpers. Volunteers from Essex University were extremely helpful and will be asked to return next year and to contribute their ideas to running the event.

Bus Stops

Four of the five bus stops in the anti-clockwise direction should be completed by April. The Wick Road stop is still under discussion.

Bus services review

Langham residents are urged to participate in the current survey, which will be the basis on which ECC's decisions about subsidised bus services will be made. Survey forms may be downloaded from:

www.essexhighways.org/Transport-and-Roads/Getting-Around/Bus/Bus-review.aspx

Forms are also available at the Community Centre and Shop.
