

Cuckoo Farm

Park and Ride

Public Information Exhibition

Essex County Council are currently progressing a Planning Application for the first purpose built Park and Ride in Colchester to the north of the A12 at Cuckoo Farm.

The site will be accessed directly from the new A12 Junction (28) which will be opened in March 2011. Park and Ride is a key component of the transport strategy for Colchester.

Our exhibition will give you the opportunity to view the scheme in greater detail and talk to members of the project team.

The exhibition will take place at the following locations:

Colchester Central Library
